Chapel Dedication and Grand Opening a Great Success

Principal's Message

We are blessed!...and I mean it in more ways than one. The Dedication and Grand Opening of Warren Regina High School took place on Sunday, October 14, 2007. The event was not only inspiring, it was also a strong reminder of the purpose that made the Board of Directors and the Sisters of St. Joseph, Third Order of St. Francis undertake the tremendous challenge of relocating the school.

Bishop Earl Boyea presided over the consecration of the new Chapel at a Liturgy attended by members of the Central Board of the Sisters, along with many Sisters from the Detroit and Ohio area. Bishop Boyea spoke eloquently on the value of Catholic education in the Archdiocese, affirming a letter we received from Cardinal Adam Maida who called Regina High School "a very important part of the Archdiocese." The presence of invited Archdiocesan representatives, major donor guests, faculty, staff, parents, students, alumnae, bank personnel, architecture and construction personnel further added a sense of affirmation to our Mission. Some saw the Dedication as a "new beginning." I saw it as a continued commitment and dedication to the on-going mission of Catholic education of young women in the Archdiocese of Detroit by the Sisters, the Board, and the total school community.

A light breakfast followed the liturgy. Bishop Boyea then started on his journey of blessing each room and other areas of the building. He ended outdoors at the front entrance of the school where he blessed the time capsule and the cornerstone. The Mission of Regina High School is continuing in Warren, Michigan...A.D. 2007.

The afternoon Grand Opening brought in many visitors who had and still have a connection to Regina High School. Their positive comments made us feel their support of our Mission. They believe that Regina is vital, not only for educating young women, but also for strengthening their faith and values. Many indicated that they see us as building a lifestyle that will make our students future leaders in the Church and in the community.

We have moved...and as a result have incurred a tremendous debt. In order to continue our ministry, we are totally dependent on the willingness of our families, alumnae, and friends to support us through fundraisers and generous donations. We are grateful for and need your continued support and prayers.

Gratefully yours,

Meet the Capital Campaign Chairs... featuring Ann Agosta and Joyce Rondini

Ann Agrusa Agosta and Joyce Kierschke Rondini have been friends for forever. They graduated together from Regina in 1964 and their lives have meshed ever since. They were the logical pairing to be Alumnae Chairs for our Capital Campaign.

Ann attended Macomb Community College after graduating from Regina and worked at Manufacturers Bank for 10 years. She met Russ Agosta (a 1964 graduate of DLS) at CYO, and they were married in 1970. Ann and Russ have two children, Michael a 1989 grad from DLS and MSU living in Northville with wife Kalyn and daughter Lauren, and Andrea a 1992 grad from RHS and U of M now living in Austin Texas with her husband Dan, and 2 children Allie and Tony. Ann worked many years as an Administrative Assistant for the Association of Women Owners of Construction Companies, and as a Medical Biller for a Cardiovascular Surgeon (Dr. Louis Rondini). Ann believes whole heartedly in Catholic education and volunteerism. She enjoys travel, and her grandchildren. "I am proud to be part of Regina's journey to continue the goals of building strong young women who face many challenges both spiritually and educationally."

Joyce Kierschke Rondini grew up in the Hoover and 6 Mile area of Detroit, graduated from Regina High School and went on to Harper Hospital to become a Registered Nurse. She met her husband Louis while working at Bi-County hospital, and they were married in 1970 - 37 years ago. Joyce and Lou have 5 children. Joyce works with her husband in his Cardiovascular Office...and for some time with Ann Agosta! Joyce and Lou are parishioners of St. Ambrose. All four of the Rondini girls Elizabeth, Katherine, Nicole and Christine are graduates of RHS. Their son is a DLS graduate. Joyce enjoys her 5 grandchildren, gardening and golf. "I am honored to serve as co-chair with Ann as we continue to work for the future

Frequently Asked Questions about the Capital Campaign

What are the objectives of the Campaign?

The goal is to raise \$5.0 million dollars over a period of five years. We require \$2.5 million to pay for renovations including: a chapel, advanced technology, new laboratories, media center, and more. An additional \$2.5 million will fund our endowment to keep tuition at an affordable rate.

How much should I pledge to the Campaign?

Only you can decide how much to give. Your pledge should be based on your ability to give, your understanding of our needs, and your belief in the mission of Regina High School. The chart below can give you a better understanding of how to break down your gift. Remember: Regina High School can only achieve its \$5.0 million dollar goal with your help.

Can I specify where I'd like to apply my gift?

Yes. Donors may designate gifts for specific interests. A memorial or commemorative gift is an excellent way to honor a family member or friend, or to associate your family or organization with Regina's mission. Numerous naming opportunities are available contact the Advancement Office for a list. Our staff is trained to assist you in planning your gift. Call the Advancement Office for a **Letter of Intent**. We also encourage you to continue your Annual Fund gift, which covers our operational expenses, during the Capital Campaign.

A Gift that's Right for You!

Making a major commitment within your means.

Our Capital Campaign volunteers and staff are reaching out to you, our parents, alumnae and friends asking for an investment in Regina's future through a major commitment. You may think a major gift is out of your reach. Look at all the possibilities when you break it down monthly over five years. Please carefully consider making a five-year pledge to Regina's Capital Campaign.

Message from the Alumnae President

How does one begin to describe the past couple of months here at Regina High School? Having the advantage of working here everyday has given me the opportunity to see the new campus flourish with so many wonderful events. In September, the Alumnae Association hosted their First Annual Powderpuff Tailgate at the new school. Laughter, chicken wings and old friends filled the back parking lot before the big game. Reliving our own games played were topics of conversation. A prayer and cheer from Reginites before them sent the seniors on their way to the big game. During halftime, all alumnae present at the game were invited out onto the field...what a breathtaking sight. More than 200 hundred women proudly walked onto the field amongst thunderous applause and much deserved recognition. It was a definite day to feel Reginite pride. Plans are already underway for next year's tailgate. December boasts a great Christmas Party for Alumnae. Come celebrate the holidays on December 10th in the Regina cafeteria starting at 6 pm. We will resume meetings starting January 14th at 7:00pm in Saddles Café.

Regina High School wouldn't be as successful as it is today if it wasn't for it's supportive and dedicated alumnae. Today's young women need to see the product of a Regina education so that they may aspire to that high standard. Please reflect on how you can utilized your time, talent, or treasure to reconnect with Regina High School.

On behalf of myself and the Alumnae Executive Board, we would like to wish you and your family a very Merry Christmas and Blessed New Year.

Regina Alumnae Spotlight

I have been working at Regina for a little over two months, and in that short amount of time I have had the opportunity to see the size and scope of Regina Alumnae's contributions to their communities and to the professional arena. I guess I never realized how many women Regina High School has sent out into the world. As alumnae, we are part of a network of women over 9,500 strong and still growing. So many of us are doing great things and we would like to hear about them. If you know of a Regina Alumnae who is contributing to her community, has inspired those around her, or has taken a leadership role in her professional life, please send us her information and why you believe she should be in the *Alumnae Spotlight*.

Our young women need positive role models to look to for inspiration, guidance, and hope. Additionally, your fellow alumnae have an opportunity to marvel at being part of such an exceptional group of women who at one time or another have called themselves Reginites! Please help us recognize our fellow alumnae and nominate your candidate for the Regina Alumnae Spotlight.

Please note, because of the overwhelming response of alumnae to update their information, we are highlighting the odd graduation years this issue and the even years will be in our February issue.

Thank you,

Cathy Zuccaro

When 27-year-old Jessica Corte arrived in "Good Morning America's" Times Square studio today, she had no idea she would be selected as Jennifer Lopez's "Bravest Fan" contest winner.

Tears welled up in her eyes and she was overcome with emotion when she was greeted by Lopez and learned that her sister had nominated her for the honor.

Corte's friends and family nominated her for her bravery in handling her emotionally intensive job. Corte is a neonatal intensive care nurse in Detroit, where she cares for the most fragile babies. Her colleagues said she brings astonishing heart and skill to the job.

"She works with these heartbreakingly tiny babies," said Corte's sister Sabrina Livermore. "She works with their parents and helps their parents bravely get through this battle for their children to get healthy." Corte's capacity to love and hope is what makes her a standout in her profession. "When they think there's no hope, she gives them that hope," said Corte's sister Jaime Christopher.

Judy Chapman struggled with her baby daughter Sarah, who was just 1½ pounds at birth. "When she was born, things looked very uncertain," Chapman said. But Chapman said Corte's care helped Sarah survive. "I want Jessica to know just seeing a smiling face," was helpful during the difficult time, Chapman said as she thanked Corte. But braving the neonatal unit isn't Corte's only responsibility. She also has a second job as a forensic sexual assault nurse. She is often the first person a rape victim encounters after an assault. Corte often accompanies victims to trial to help them seek justice. "She gives these women the courage to tell their stories to fight back against their abuser," Livermore said. Corte often does this without monetary compensation.

"I think she's incredible that she takes on these two jobs without any real prodding or poking from anyone else," Livermore said. "She wants to do it out of the own goodness of her heart."

Regina is proud to honor Jessica '96 for the difference she is making in the community. A special thank you to Jaime '94 and

SADDLE NEWS...Advancement Office Updates

I receive questions from our parents, alumnae, and friends quite frequently asking for an explanation of the different giving funds. "What is the difference between giving to Annual Fund and the Capital Campaign? Where does the Scholarship Fund fit into the picture?"

The Annual Fund is collected unrestricted funds used to supplement the yearly budget. Your dollars to Annual Fund pay for unexpected expenses, like plumbing repairs, higher heating and lighting bills, etc. Of course when you send your check to us for the Annual Fund you can specify a certain area you would like to support. Those Annual Fund restricted gifts are placed in the budget for the department or area you want to support. If you give \$100 to the Library – it is used for books, video, equipment etc... for the library.

Any time you give a gift to Regina you may honor a family member or friend (alive or deceased) by simply telling us the name of the person. We will notify that person (if alive) or their family (if deceased) of your generosity.

The Scholarship Funds at Regina are many, and they have many different names. In most cases the Scholarship Fund was named to honor a member of the Regina Family who is deceased. The family established the funds to help our students, and keep the memory of their loved one alive. Named scholarship funds may have stipulations on them- like only baseball players, or girls with GPA's of 3.0 or higher can benefit from the scholarship. The Student Hardship Scholarship is just as it sounds – it was established to help students who may not be able to remain at Regina if they didn't receive resources. If you send in a gift and designate Scholarship – without a specific name, the money goes into a scholarship general fund. Those scholarship monies are distributed according to the wishes of the Principal.

The Capital Campaign Fund is money raised in a specified period of time for a specific purpose. In our case the Capital Campaign – Building Our Future is a \$5 million fund designated for our building renovations and our endowment. The campaign solicitation period is 2 years and it began in April 2007. Payments can be made over 3 to 5 years. Essentially the Capital Campaign is a restricted fund.

Technology Upgrades at the Warren RHS

With the relocation of Regina High School to Warren came upgrades to technology hardware and software, benefiting both students and staff. While most administrative computers were moved to Warren, students and teachers are using up-to-date computer hardware and software in the new location.

The Media Center workstations were increased in number from 24 to 30. Sitting atop new dual-station adjustable tables, the Acer brand flat panel monitors are attached to Acer workstations - with twice the standard memory - running the newest Microsoft Windows Vista Business operating system. Microsoft Office 2007 and Internet Explorer 7 are available on all Media Center and Computer Lab computers used by students.

The Computer Lab is outfitted with thirty new workstations, receiving power from a dedicated electrical panel as well as high speed Ethernet cable from the network server. In addition to the Vista Business operating system software and Office 2007, students work in one of the leading commercial document layout software packages, Adobe InDesign CS 3. Keeping students keyboarding speed and skill current is aided by the inclusion of Mavis Beacon Typing Ver 16. New textbooks are required for teaching the courses offered and students are using those, as well.

Our network infrastructure is virtually all-new, with four dedicated servers replacing the ones used at the old location. Smart switches, located in various parts of the building, are responsible for feeding the network Ethernet cables throughout Regina High School. Our Internet firewall server, email server, database server, and domain controller were all brought online in late August as our network data was migrated over to the new equipment. Electrosonics, Inc. of Fraser, Michigan, our trusted computer services vendor over the years, worked long, hot hours in August making sure our staff and students would have the services needed for the instructional activities at Regina High School.

In October we took delivery of four interactive white boards, representing the latest in instructional technology equipment. These are designated for use throughout the school and teachers have been anxiously awaiting their arrival.

These devices will enable teachers to bring more technology resources to the classroom to benefit students and assist in the learning process.

We have a vision for the near future to outfit every classroom with an interactive white board. The upgrades are all due to the support and interest of the Regina Administration and previous Board of Directors who were very involved in the assessment

and discussion of technology items relative to the move. Along with making sure the design and reconstruction of the building was appropriate, they also made sure that funding was available for the many technology improvements.

Message from the Athletic Director

With the beginning of the 2007 Fall Sports came some significant season changes from previous years. For the first time, Volleyball and Golf would be played in the fall. This was not an obstacle for our teams. Freshman Volleyball Team won the Sectional Championship and the Varsity Volleyball team earned a spot in the Catholic League playoffs and won

the Macomb County District. Senior Ashley Tu was awarded All-Catholic honors and Junior Amanda Doyle was awarded All-League honors. Junior Katie McAlpine was selected All-Academic.

The Varsity Golf team, who had just played last spring, earned a trip to the State Finals. To go along with the team success, Maria and Melissa Raffoul won All-Catholic, All-Region, and All-County honors.

The Cross Country team went undefeated in the Catholic League section and four members of the team earned All-Catholic honors – Seniors Beth Ponkowski and Mallory Sneden and

Juniors Gina Valgoi and Renee Cholyway. Gina also finished first in the Regionals. The team qualified for the State Finals held at MIS. The Cross Country Team was also awarded the Catholic League Sportsmanship Award for the fourth consecutive year.

All in all it has been quite a successful fall for the Saddlelites. With the onset of winter sports, Basketball will be moving from the fall and will join Ice Hockey, Bowling and Pom/Dance as the winter sports at Regina. I hope to see you at a game.

SADDLE NEWS... School Spirit

CLASS OF 2008 WILDCAT VICTORY

SENIORS BRING IT HOME!

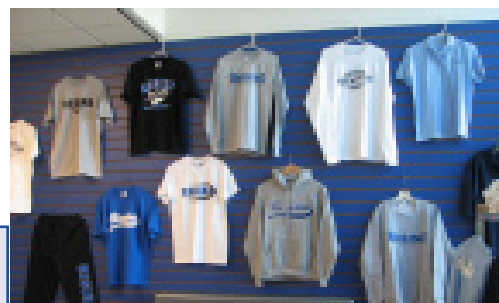

Months of practice conditioning, and anticipation led up to the annual Powderpuff football game between Regina and Marian high schools on Sept 29. The final score – Regina 14, Marian 12! The last class to win the trophy was the Class of 2005 (the senior's big sisters), and the majority of them were there to cheer their little sisters on! The alumnae showing was spectacular this year as the first annual tailgate and half-time ceremony were kicked off. The game was attended by over five thousand spectators, and our seniors made it worth it. After a week's worth of eagerness leading up to the game, one would have thought our girls couldn't have shown more spirit. However, at the pep rally, when Sister Leanne gave the order, "...send those Mustangs out to pasture and bring that trophy back where it belongs!" the crowd erupted and Marian's fate was sealed! Thank you to the Class of 2008 for bringing it back to our NEW home and making all of us proud to be Reginites!

The All **NEW** Spirit Shop!

The 2007-2008 school year has been full of exciting changes here at Regina. Among the most exciting things about our new location is the Spirit Ship. Mrs. Sue LaBelle is the Spirit Shop coordinator. She has been working diligently to organize, stock and create easy ways for you to get all of your favorite items. We have an assortment of hoodies, sweatpants, short sleeve and long sleeve t-shirts, as well as all the Alumnae wear. In addition to apparel, the Spirit Shop sells athletic bags, lanyards, coffee mugs, and a whole lot more! Stop in and check it out or you can visit the Spirit Shop via the website at: www.reginahs.com. There are pictures of most items. For information or to place an order, call Mrs. LaBelle at 586-585-500ext. 240.
