Principal's Message

We made it! Our first full year in our Warren school is now history and with it are many memories. If you have ever moved, you know exactly what we went through. It takes a while to make a house a "home" and some things just do not get in place during the first year after the move. So it was with us. We missed the "old" school but settled into our new environment. And now that we have been here a full school year, we are becoming more comfortable and the school is beginning to feel more like "Regina!" I am constantly reminded that if we had stayed in Harper Woods, we would probably be getting ready to close due to a lack of enrollment and a budget that could not cover the cost of operation. The move has been a blessing to us. It has allowed us to continue our Mission and Ministry. It has allowed us to continue our College Prep education for young women. Even though we have taken on a tremendous financial burden of a mortgage for our new school, we are able to continue to academically challenge our students, encourage them to be women of faith and vision, promote involvement in service to others, and prepare them to meet the challenges of the 21st Century.

Our first year was very successful in terms of our Catholic college-prep education. The 122 graduates of the Class of 2008 amassed numerous awards. They received college scholarship offers worth over 3.5 million dollars; over 80 members earned the Michigan Promise Award of \$4,000; 64 members qualified for a Michigan Competitive Scholarship; 41 members were awarded Phi Beta Kappa certificates; they performed over 11,000 documented hours of community service; and 100% of the members of this Class enrolled in a two or four year college at 32 different institutions of higher learning in 8 different States. Regina High School continues to provide a first-class quality education to students whom we look upon as future leaders. We believe that we do make a difference in the lives of young women.

We ask for your continued financial support and your prayers so that together we can celebrate our successes now and for many years to come.

God bless!
Sr. Mary Leanne

Looking Forward in 2008-09

A brisk new breeze has swept away the blooms of summer, leaving in its wake a trail of orange and red. Dusk settles early, the sun is slow to rise, and while the rest of the world slows down and bundles up, a new year is dawning at Regina High School. We have settled nicely into our new home, and with fifty-one years under our belt, we are ready to embark upon new and exciting opportunities and events this 2008-09 school year!

Our Regina High School's student body is growing and changing. This past spring, we said goodbye to 122 graduates of the Class of 2008. In addition to the several transfer students who will be joining our family, we are now welcoming more than 135 new Saddlelites to Regina High School's Class of 2012!

To prepare these girls for the world ahead of them, Regina High School has made many technological advances to its legacy of scholastic excellence. This school year, each academic department will have access to their own SMARTboard. This interactive device brings internet resources, quite literally, to the fingertips of students and teachers, enhancing instruction and student participation. Additionally, an electronic debit system has been brought to the cafeteria, allowing parents to create a lunch account for their students. This is all wonderful news; however, the most exciting addition to Regina's technological arsenal is the use of Edline, an electronic grade book that puts parents in direct contact with their daughter's assignments and assessments. Teachers can post news and events from the classrooms, and parents can have immediate access to information about their daughter's grades!

As excited as we are for these new technological strides, we all know what they say about "all work and no play". Rounding out our already stellar Athletic Department will be a very exciting new sport! Due to the interest and persistence of our dedicated students, the 2008-09 school year will see Regina High School's first Field Hockey Team! Go Saddlelites!

With so many exciting things happening this year, it's hard not to think about the autumns of past and the journeys that have brought us here. With each falling leaf, each sharpened pencil, each passing day, Regina High School continues marching in the only direction we have ever known—forward!

Saddlelite Derby

The Saddlelite Derby- a Kentucky Derby themed benefit for the Capital Campaign took place on Thursday, June 12 at Andiamo's in Warren. The evening began with cocktails and hors d'oeuvres, a "Regina Julep" fountain, a presentation given by Regina students on their first year at the new school, and an appeal from Sr. Mary Leanne, Principal, for support for the Capital Campaign efforts.

When the presentations were over a superb dinner was served. Guests enjoyed Bourbon Steak, Chicken Cordon Bleu, pasta, corn bread, and sweet potato hash culminating with a sweet treat - strawberry shortcake.

After dinner there were 50/50 wheel games, music, dancing and merriment as guests enthusiastically chatted about the Regina mission. If you couldn't make this year's event, below are some photos. Plans are in the works for next year --check the website for updates and plan to come support the school you know and love.

Message from the Principal

Dear Friends of Regina High School:

One of the greatest issues on the educational front today is parental choice in education. We have seen the birth of numerous Charter Schools now in competition with both the public and the non-public sector. Articles flood the newspapers with statistical reports and provide a comparative study of how well schools are doing. Overwhelming evidence indicates that Catholic schools provide a superior product because they are driven by excellence, initiative, and values.

Regina High School has been and will continue to be recognized for its excellence in education. We believe that a major source of the success of our students comes from our combination of outstanding academics, strong religious formation, full athletic program, many opportunities for leadership, and a school with family spirit. We need to preserve these qualities and continue to offer this educational opportunity to many more young women.

The financial support of alumnae, parents, friends, businesses, and foundations is essential to the continued success of Regina High School. In this Annual Report we gratefully acknowledge the generous sharing of many donors. Our quality Catholic education needs to remain a viable alternative for young women and your donation makes you a partner with us in shaping the future.

Thank you for your support and generosity. Your monetary investment is matched by the gratitude of the entire Regina High School Family. The true beneficiaries will be the students who want to learn, achieve, and become future women leaders.

Thank you and God bless

Sister Mary Leanne, SSJ-TOSF

Ways to Give to Regina

Gifts of Cash: Most gifts are outright cash contributions, allowing donors to receive full tax benefits if they itemize deductions. We accept cash, checks, Visa, Mastercard and now offer EFT (electronic funds transfers).

Gifts of Securities: A gift of appreciated securities, either publicly traded or from a private company, may provide greater tax advantages than gifts of cash. The donor can deduct the current fair-market value as a charitable gift and completely avoid capital gains tax on the appreciation.

Pledges: Commitments made to the Annual Fund as pledges must be paid by June 30 (the end of our fiscal year).
Employer Matching Gifts: As many companies have come to recognize the value of philanthropy, they have agreed to match or multiply donations made to Regina High School by their employees. Those who wish to enhance the value of their gift significantly are encouraged to contact the personnel office of their employer about matching-gift opportunities.

Gifts of Personal Property: Contributions of tangible personal property—including rare books, works of art, and antiques—may provide immediate tax advantages.

We have made every attempt to include the names of all our donors. If we omitted your name, it was an error and we apologize...please contact the Advancement Office. This year we couldn't post the extensive list of those attending functions or purchasing raffle calendars...please know we appreciate your participation and hope you will continue to enjoy the variety of events offered by Regina High School.

SADDLE NEWS...Athletic & Faculty News

Message from the Athletic Director

A new school with outdoor athletic facilities is a blessing. It was so good to see all the activity going on in the spring with so many girls being able to practice at the same time after school.

As we opened the fall season, Cross Country again advanced to the State Finals, as did Golf who was playing in the fall for the first time. Varsity Volleyball won a District Title in the fall.

In winter, our Bowling team qualified for the State Finals, with a couple of freshmen leading the way. Ice Hockey played for the Catholic League Championship!

In spring, both Varsity Soccer and Varsity Softball won their District Championships. Track qualified several girls for the State Finals. Junior Varsity Softball went undefeated in League Play and we saw consistent improvement in our newest spring sport, Lacrosse.

This year we are adding Field Hockey as a fall sport. We are playing as an independent this year, but hope to be a member of a league next year. This is another challenge for us, but we are not afraid of challenges.

Several athletes earned individual honors last year. These can be found on the Regina website. The schedules are also posted on the web. Come see our teams play!

Faculty and Staff

At the end of the 2007-08 year, we had to say some sad goodbyes to Science Teacher Ms. Lisa Volpe, Associate Advancement Director Mrs. Emily Radatz Berschback, and Accounts Receivable and Textbook Coordinator Mrs. Brenda Gittler.

Ms. Volpe started teaching at Regina in August of 2004. Her dynamic energy was matched with an uncanny ability to "think outside the box". Students, faculty, and visitors all learned science through the creative displays and projects of her students, which she presented so proudly. We will miss Ms. Volpe dearly and wish her success on her future endeavors.

Mrs. Emily Radatz Berschback was no stranger to Regina High School when she started last fall as the Associate Advancement Director. Graduate of Regina's Class of 2001 and Alumnae Association Co-President, Mrs. Radatz Berschback graced the halls of Regina High School with infectious enthusiasm, energy, and humor. While she will be missed deeply, we would like to congratulate her on her marriage to Scott Berschback and wish them blessings as they begin their life together in Greenbay, Wisconsin.

Mrs. Brenda Gittler started in the attendance office at Regina High School in the fall of 2003. Her easy smile and cheerful demeanor have made her a favorite of the students and staff at Regina High School. We are happy not to be losing her entirely; while she will be working mostly from home, Mrs. Gittler will be staying on as Textbook Coordinator. We look forward to seeing her smiling face as she drops in throughout the school year!

There are some familiar faces at Regina High School we are looking forward to seeing in a new capacity! Moving to the position of Associate Advancement Director is former Director of Admissions and Recruiting, Mrs. Katrina Sagert. Taking over Admissions and Recruiting is PR and Marketing Director Cathy Zuccaro.

Last, but certainly not least, we welcome **Ms. Jessica Zablocki** and **Mrs. Kathy Kazmer** to the Regina High School Family!

Ms. Jessica Zablocki will join the Regina High School Science Department. A first time teacher, Ms. Zablocki is looking forward to diving in head first to the Regina High School experience. Welcome aboard!

Mrs. Kathy Kazmer will be joining the Advancement Team as a part-time secretary. A former elementary teacher, Mrs. Kazmer is excited to be returning to a school setting after taking time off to raise her two children. Welcome Mrs. Kazmer!

SADDLE NEWS...Advancement Office Updates

Welcome to Another School Year 53rd for Regina!

I hope you and your family had an enjoyable summer. Summertime at Regina is a time to plan for the upcoming school year. This summer, I said farewell to a friend and co-worker Emily Radatz as she began her new married life with Scott Berschback in Green Bay, Wisconsin. It is my pleasure to welcome Katrina Strasz Sagert '01 as Associate Advancement Director, and also Kathy Kazmer as the Advancement Assistant. As the Advancement Team, we hope to make your association with Regina a fulfilling one.

There is plenty of work to be done. As we have not met our Capital Campaign goal of \$5 million we continue to request assistance of alumnae, parents, and friends to help promote the campaign through letters and phone calls to classmates and friends. If you would like to take part in this effort please give us a call or e-mail. At a recent meeting I was told that the perception is that since the move to Warren is now complete, and we are in full operation, we must have received a great deal of money from the sale of the Harper Woods campus. In fact, as title holders to the property, the Sisters of St. Joseph were the recipients of the proceeds from the sale. Regina High School therefore must meet the campaign goal to pay the debt incurred by our move to Warren. Below is a breakdown of five year pledges at different levels and pay intervals. Please take a look at the chart and determine where a gift to Regina High School can fit into your budget.

Pledge	Yearly	Quarterly Payment	Monthly Payment
\$100,000.00	\$20,000.00	\$5,000.00	\$1,666.00
\$50,000.00	\$10,000.00	\$2,500.00	\$833.00
\$20,000.00	\$4,000.00	\$1,000.00	\$333.00
\$15,000.00	\$3,000.00	\$750.00	\$250.00
\$10,000.00	\$2,000.00	\$500.00	\$166.00
\$5,000.00	\$1,000.00	\$250.00	\$83.00
\$4,000.00	\$800.00	\$200.00	\$66.00
\$3,000.00	\$600.00	\$150.00	\$50.00
\$2,000.00	\$400.00	\$100.00	\$33.00
\$1,000.00	\$200.00	\$50.00	\$16.00

If each Reginite on our mailing list pledged \$10 per month for 5 years we would meet our goal.

Currently, we are working with the Auction and Dinner Committee to plan this year's event scheduled for Saturday, November 8th, 2008. – see the ad on page 22 for more details. The event will once again prove to be a fun filled evening showcasing our school highlighted with great auction items, food and entertainment – make plans to join us!

We continue to work closely with the Alumnae Association to increase membership, and plan events and reunions. This year the Association will once again host the Family Powderpuff Tailgate on Saturday, September 20th at Warren Fitzgerald High School before the big game. Keep tuned to the website for further details or attend the Alumnae meeting on Monday September 8th at 7:00 p.m. to help plan the event.

Our next item of business is to send the 2008-09 Annual Fund Appeal. Please look through the Annual Report enclosed in this edition, if your name isn't present – perhaps you will consider a gift for the upcoming fiscal year. The Annual Fund allows us to retain our excellent teachers, and provide services beyond the boundaries set by tuition. At this time we have a great need for Scholarship donations, we have found that incoming students are showing a greater need for financial help. Your donation to the Scholarship fund will help retain our student population creating a healthier economic environment for the school, and you receive the satisfaction of knowing your donation helped an individual attend a school with a rich history and tradition of excellence.

Advancement Team

New Associate Director of Advancement

Hi! My name is Katrina (Strasz) Sagert, Class of 2001. I am so excited to be joining the Advancement Department! I spent the 2007-08 school year as Admissions Director, so I am a familiar face around here. I come from a family of Reginites: my mother, Josephine (Guastella) Strasz who graduated in 1969, and my sisters, Joanna (Strasz) Eisbrenner, Class of 1999, Mary Strasz, Class of 2005, and Caroline Strasz, Class of 2008.

I have some big shoes to fill this year. Emily Radatz Berschback has done an amazing job organizing the Alumnae Association and Calendar Raffle. Her ideas and assistance to the many events and celebrations held in 2007-08 made a real contribution to the success of the year. I have already met many of the people she had the pleasure of working with, and I understand why she was always so enthusiastic and energized. We have a great team!

We have many projects underway, and I'm excited to dive in. My door is always open, so stop by any time! You can reach me at 586-585-0500 ext 225 or ksagert@reginahs.com.

Lenten Women's Workshop

You do not have to look very far to see the world changing around us. With such a rapid shift in values and lifestyles, the challenges facing women today as individuals, mothers, professionals, and Christians are profound and varied. Regina High School has always prided itself in its spiritual, social, and academic guidance of young ladies, and as these young ladies have grown into women, we would like to continue this mission.

We have received overwhelming feedback in favor of a Women's Workshop focusing on faith and women's issues. Our vision is to have professionals in our community present lectures and discussions putting a spiritual focus on the unique challenges facing modern women, such as health, family, and finances.

In order to make this vision a reality, we need your help! Volunteers are needed in the planning and execution of this event. If you are able to lend your time and talent, as a presenter, coordinator, or participant of this workshop, please let us know! It is a wonderful opportunity to reflect on our value and mission as women of faith. If you would like information or to volunteer, please call Regina High School's Advancement office at (586) 585-0500 ext. 225 or 285.

In the 2007-08 school year, Regina High School the Sisters of St. Joseph lost three extraordinary women of faith and vision. Their legacy of service and grace has made a mark on Regina High School and beyond.

Sister Virginia Kendzierski devoted her life to education, serving in schools in Connecticut and Ohio before she came to Regina High School. Her vocation brought her to Regina as a librarian from 1970 to 1995. She was a charter member of the Michigan Association for Media in Education, a professional community dedicated to the advancement of educational, literary, and technological excellence in schools. In addition to her impeccable operation of the library, she was also known to be an avid player of Regina's Friday Night Bingo. Sister Virginia passed away on December 21, 2007.

Sister Marie Carole DeBacker was a student of Regina High School's class of 1962. She went on to join the Sisters of St. Joseph and dedicated her life to Catholic Education. Her ministry brought her to Trinity High School, an Ohio school sponsored by the Sisters of St. Joseph, where she served for forty years. Sister Marie Carole passed away on June 6, 2008.

Sister Mary Berchmans Majchrowski served in many capacities in her years at Regina High School. From the 1960s all the way through the 1990s, she served as Provincial Supervisor, Teacher, Principal, and Senior Counselor. She will be remembered as a soft-spoken and gentle woman whose kindness exemplified the Gospel. Her warmth and compassion made her much beloved by the students and staff at Regina, who could always tell what time of year it was by the color and variety of seasonal M&Ms she kept. Sister Berchmans passed away on June 17, 2008.

SADDLE NEWS...Editor's Message

Letter from the Editor

Like many 20-somethings, I have a hard time playing that game "Remember that time..."

I like to keep some distance between me and my high school self. She's lovely, embarrassing, valiant, crass, and a little overwhelming. Besides, I'm still working on my high score for that other game, "Get Up, Battle Traffic, Go to Work, Go Home, Do Laundry, Sleep, Repeat." I have managed to avoid things like yearbooks and prom ticket stubs in the same way I avoid hearing myself on the greeting on my voicemail. First, I do not really have time, and second, *who is that?*

The glitch is that somehow my life's dream came to include returning to Regina High School as a professional. And here I am – not to relive my glory days, but to contribute to the mission of transforming girls into women of faith in vision.

Last year, I had many moments that revealed the wide impact Regina High School has made on the community. I found I was a Regina Ambassador almost everywhere I went. Alumnae asked about their former teachers, young parents asked about curriculum and spirituality, and even people without any personal connection to the school asked about our new home. I saw that despite the question or person asking, the story I was telling created optimism and hope. Regina High School held a promise for the future.

As I saw on the outside how Regina has affected the community, I saw within our walls how it was still changing me. At first, I had braced myself, expecting that seeing the Regina High School Experience so up-close and personal would feel a little like walking through a funhouse hall of mirrors. But, instead of warped and contorted magnifications of my ancient insecurities, the reflection I saw in these girls was all of the beautiful qualities I have ever prided in myself: enthusiasm, compassion, loyalty, curiosity, and strength. There were other things, too, of course. I saw self-consciousness, timidity, and confusion, but they weren't the limitations I had always imagined them to be. They were potential, a driving force that will enable these girls to grow.

I recently moved into a new home, and as I packed and unpacked my belongings, I came across a box of tokens and mementos from my high school years. I kept the box sealed until a dear old friend came to visit. As the evening wore on, our giggles grew into hysterical shrieks of laughter as we examined each forgotten keepsake. It was an all-star tournament of that game "Remember that time..." and I had turned into an all-star player.

I feel very lucky to be able to see Regina High School through the eyes of an adult. Even more, I've been blessed with the opportunity to share this vision with the wide array of Regina supporters—parents, friends, alumnae. Without you, our Regina High School Family would be incomplete.

Thank you for taking the time to read about our school. I look forward to hearing from you with new updates and stories, and I hope to see you at events and gatherings throughout the year!

Blessings,
Katrina (Strasz) Sagert
