## Principal's Message

In about 90 days, Harper Woods Regina High School will be settling into its new home in Warren. Renovations on the Warren school are in high gear and will be finished and ready to start the 2007-2008 school year at the end of August. In mid-June, the totally renovated Gym (the new SADDLE DOME) will be ready to host students for our summer clinics. By mid-July, the rest of the school will be ready for the moving of furniture and equipment.

Reality is beginning to set in...and I sense a feeling of excitement in our students, parents, and yes, even our faculty and staff! I call my feelings "bittersweet" but that is because Harper Woods Regina has been my "home" for so many years and I will definitely miss our beautiful building and especially our great auditorium. BUT...change is good...change is exciting...change provides new challenges, new goals, and it gives us an opportunity to build new traditions.

I am most thankful to my Community, the Sisters of St. Joseph of the Third Order of St. Francis and Regina's Board of Directors who were so committed to Regina's Mission that they allowed us to pursue the possibility of relocating and then ultimately allowed us to execute a purchase agreement for the property on Masonic on May 31, 2005. I would be remiss if I did not mention that Community Central Bank in Mt. Clemens also believed in our Mission and made a financing commitment to help us purchase

## A Very Special Announcement ... REGINA HIGH SCHOOL – Building Our Future!

Patti Vaughn, Molly McKenna, Sue Bouchard, Cecilia Vaughn, and Mary Jane Daudlin

On Thursday, April 19, 2007, our Principal, Sister Mary Leanne Leszczynski, Sisters of St. Joseph of the Third Order of St. Francis (SSJ-TOSF), the Capital Campaign Leadership Team, and Regina's Board of

Directors introduced the components and needs of our Capital Campaign – Building Our Future !

"Simply put, this campaign allows us to continue to fulfill the mission and ministry of Regina High School, in the Franciscan tradition" said Sr. Leanne. "Regina has been a strong presence in the metropolitan Detroit community for over 50 years."

Mrs. Janet Sossi Belcours, Alumnae Parent and owner of Roma Cafe, and Mrs. Flora Pelino Tersigni, Class of 1967, former faculty member and Alumnae Parent, are

## Sylvia Chetcuti and Anna Maria Paruk Look Back on Their Four Years at Regina

*Sylvia Chetcuti, President of the Class of 2006*

Graduation. Four years ago, the word graduation seemed so far away in my mind, but today it feels too close. It feels like just yesterday I was opening the Regina doors for the first time. I was ready to begin my high school career by creating new friendships, by taking new classes, and by wearing shiny new saddle shoes. However, today I have to say goodbye to some of those friends, take my final Regina class, and put away my saddle shoes (that sadly are no longer very shiny). The thought of closing the doors of Regina for the last time really sticks in my mind. I was uncommonly very excited to come to Regina, not many girls wanted to start school, not to mention a school that was basically all female. Now, on the other hand, I'm excited about Graduation and ready to open the doors of a new school. I only wish that graduation meant that I didn't have to say goodbye to the place where I have made so many wonderful memories. In fact, you can ask any Senior, and I bet they will tell you that even though they may not have enjoyed the thought of attending an all-girls school at first, it turned out to be the best decision they have ever made.

Regina High School offers so much to a student, much more than anyone could ever expect. There is not one other school that has such an amazing Powder

Puff game, such crazy and fun assemblies, and such a close student body. There aren't many schools in which everyone knows everyone and if someone new is in the building, everyone knows in a matter of minutes (especially if that someone is male). That's just something I loved throughout my four years. There are other events that Regina offers that stick out in my memory. This of course includes: Freshman Induction, Sophomore Day, and Junior Ring Ceremony, but it also includes my first freshman retreat, my last senior over-night retreat, falling in the halls as a result of water and the no-traction soles of saddle shoes, eating a Tuesday chicken sandwich in the "Caf," and most importantly meeting my freshman little sister. There is so much more to Regina than this short paragraph, in fact, I could continue to write a novel about what a girl could experience here. In my opinion, the over all experience of Regina is so great, that I feel bad for all males who aren't allowed to attend and everyone else who didn't attend.

My days at Regina have taught me many different things. I've learned that if you open yourself up to people, that they can become your best friends, that a strong relationship and faith in God is very important, and that life is good if you love and love many things. One thing that I love is Regina. I have had the best experience here and that's because of the people that made it all possible. I know that I hope to continue to be a part of Regina and one day send my daughters to the amazing new building. So thank you Regina High School Alumnae for helping continue the tradition of Regina. I know that as I walk through the hallways at college, I may not see the same familiar faces, but all of the faces from the hallways at Regina can be seen, if I just close my eyes and look into my heart. Thanks again Regina.

*Anna Maria Paruk, Student Council President*

When I stood in the front lobby at the end of the day looking down the 100 wing, I realized that Regina meant more to me than I thought it did. Coming from someone who did not especially want to come here, I have come to call this place my second home. This building held many of my memories the past four years and when I walk out of this building and close the door for the final time, I will be locking in those memories at Regina. I will never forget the different events such as Freshmen Induction, Sophomore Day, Junior Ring Ceremony, and Powderpuff that took place here. Each special memory will forever hold a place in my heart.

Our class has come a long way since Freshmen year; and, I can truly say, with help from our class quote, that these girls have "left footprints in the heart." We have bonded through these special memories and just having classes together. Walking up and down the halls during the school day and getting the smiles and waves from most people in your class makes one realize that the Class of 2007 is an awesome group of young women.

We are all moving on to different schools after Regina and some of our friendships may grow apart because of the distance. But no matter what school we are at or how far away we are, we can always call Regina our home and look back on the memories with a smile upon our faces.

## Meet the Faculty: This Edition-Mr. Forys

Mr. Forys

Can you believe it's been 43 years since the Beatles appeared on the Ed Sullivan Show?? For those of you too young to have seen it live, you probably did see it in my classroom (for educational purposes only)! Yes, room 108 is still a shrine to the Fab Four (as well as Jesus and the Pope, of course) just as it's been for the past 23 years! My daughter Corinne (Class of 2000) was only a toddler when Sr. Leanne and Mrs. Salvador recruited me from St. Anne High in 1984. Now she's getting married this spring to her boyfriend of nine years! Happily, my wife Karen also works here at Regina as Dean of Students, Recruiting and Admissions Director, and Director of Christian Community Service. Regina has truly been a huge part of our family life.

I'm thrilled that Regina is moving to Warren this year since that's where I grew up as a member of St. Anne Parish and grade school. After graduating from Warren High (now the Warren Community Center) in 1973, it took me awhile to discern that God was calling me to a ministry in Catholic education — specifically as a Religious Studies teacher. I earned my degree in Religious Education at St. Mary's College, Orchard Lake in 1980, and started teaching at St. Anne High later that year. St. Anne was a great school with wonderful students, faculty, and parents, many of whom became (like Mrs. Biondo) my good friends. I was also asked to be the parish Youth Minister, until the new pastor decided to make that position "voluntary." With a wife and a daughter to support, I was very fortunate indeed that Sr. Leanne

made me an offer I couldn't refuse and I've been happy here ever since!

Going from a co-ed school of under 200 students to one with over 1000 girls was a bit daunting at first. I still remember walking down the hall (and, being 6'2") looking down on the sea of femininity that seemed to stretch for miles. But teaching is teaching and I soon felt at home, especially after meeting fellow Red Wing fan Nick Stann. Along with Mr. Rutyna and the few other men on the faculty and staff, we are truly (as Sr. Leanne says) "blessed among women!" Of course, my conservative political views are also much "appreciated" by my colleagues!

One of my most enjoyable extra-curricular responsibilities was when I was coerced by Jamie Syroid and Meaghan Reardon to be the first moderator of the Regina ice hockey club. Getting to announce the games and meeting Dave Coulier was a thrill I'll never forget. Hockey is now a part of the athletic department, and the co-founder of the hockey team, Jim Selegean, is still doing a fine job

running the program along with Ms. Laffey. Two of my most important responsibilities are Teens for Life and the Missions. Both of these causes are very close to my heart and I especially thank the late Sr. Beata for her inspiration (and intercession).

My biggest regret my first year at Regina was not being in the faculty Showboat act. I've tried to make up for that oversight every year since. Being a natural "ham" since being in a "Blues Brothers" impersonation band at St. Anne's, I've loved every minute of being on stage and will miss our auditorium. Our parody of "Titanic" stands out in my memory, and it ended with our now traditional conga line. Announcing the Powder Puff game was also a lot of fun, especially the year we had the stalker! My wife and I have also enjoyed taking groups of students to Europe, as we'll do again this summer.

As I said earlier, Regina has been a part of my family and my home away from home for almost a quarter of a century. I may not remember all of your names, but it has been my privilege to teach all of you and I hope to be here when your children and/or grandchildren come to our new campus in Warren (I certainly can't afford to retire!). For me, it will be like going back home again.

### Easter Break in Montreal

During Easter Break sixteen students went on an annual trip to Montreal and Quebec. It was a wonderful experience. The students visited the historic section of Montreal where they enjoyed two group meals and buggy rides around the area. The group also visited the renowned St. Joseph's Oratory; a shrine started by the blessed Brother Andre who was known even beyond the area of Montreal for his holiness. Through his prayers many cures have taken place and by 1938 when he died, the Basilica was constructed drawing faithful from around the world. Our one-day trip to the city of Quebec opened up many adventures: a bus tour of the city, visits to the old historic section where the French first settled, and opportunities to try numerous French culinary specialties. The trip was a great success and all who were present had fun!

team. As a tennis player, Julie was named to the Catholic League's All Academic Team this past season. She has also worked during the summer as a tennis instructor for young children as well as adults. In addition, Julie has completed over 120 community service hours including serving as a junior volunteer at Bon Secours Hospital.

Julie has also received recognition for her academic accomplishments. Julie has been a member of the Prep Bowl Scholastic All Catholic Team for the past two years and she was nominated by Regina for the Michigan High School Athletic Association Scholar-Athlete Award. In addition, Julie has been awarded the Loyola University Trustee Scholarship, the John Carroll University Presidential Honors Award and the Insignis Scholarship from the University of Detroit Mercy.

Julie will attend the University of Michigan in the fall. She intends to major in one of the physical sciences and hopes to someday attend medical school.

the new school. We have taken on an enormous responsibility and I will continue to ask for your prayers and your monetary support.

Harper Woods Regina High School has been on Kelly Road for 51 years and not to forget our past, we will erect a sign at the new school as a remembrance. Relocating in the fall of 2007 will simply be "continuing" our outstanding faith-filled college preparatory educational program, our fulfilling Christian Service Program, and our award-winning athletic program. Our Mission to prepare girls to become women of faith and vision in the Franciscan tradition capable of facing the challenges of the 21st Century will continue...hopefully for another 50+ years.

You will be invited to a Dedication, Blessing, and Open House at the Warren campus in October 2007. I hope to see many of you there to celebrate our continued Catholic educational presence in the Archdiocese of Detroit. God bless!

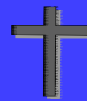

*Erin McNeill continued...*

Outside of Regina, she has worked at TCBY for the last two years and accumulated over 300 hours of service. Her service hours primarily came from summers spent volunteering at Camp Daggett, but she has also volunteered at St. Paul Catholic School and Rose Hill Organization.

Erin has received recognition for her noteworthy achievements. She was named Most Valuable Player during the 2005 tennis season, and was a member of the Prep Bowl All Catholic Scholastic Team in 2004. Additionally, Erin was nominated for the Governor's Service Award and has been named one of WXYZ-Channel 7's Brightest and Best for 2007.

Next year, Erin is planning to attend the University of Notre Dame, where she will be majoring in some form of science. She is not yet sure what her career plans include, but she is very excited to discover new things.

## Meet the Capital Campaign Chairs

This edition featuring Gregory and Phyllis DeMars

Greg DeMars is a senior partner at Honigman, Miller, Schwartz, and Cohn, LLP in downtown Detroit. Phyllis is a special needs/resource teacher at Our Lady Star of the Sea. They are products of Catholic education, and are dedicated to it, sending their son Greg to De La Salle and their

daughters Sara and Bethany to Regina. They joke about being goaded into the positions of co-chairs for this campaign – but their focus, efforts and commitment to date shows it didn't take much to make them comfortable in their roles.

"My wife and I are pleased to be co-chairs working with a group of other dedicated members of the Regina community in connection with the Capital Campaign – Building Our Future, for Regina High School. This is a historical moment for Regina as it moves from Harper Woods, Michigan to Warren, Michigan into a new facility. As parents, with a daughter who has graduated and one about to graduate, we feel that this

important mission of Regina High School in educating its students in the Catholic traditions must continue. Regina has a unique position in the community as being the only all girls Catholic college preparatory high school on the eastside of the Detroit metropolitan area. We support the Regina mission fully and we believe that it is one that the community should embrace."

Greg and Phyllis are residents of Grosse Pointe Shores, Michigan. You can meet the DeMars, and all the campaign leadership when you join us at the **Under the Boardwalk Dinner Dance at Andiamo's**, Warren on June 14, 2007. See the ad on page 7.

## Message from the Alumnae Association President

The sun shone brightly upon Regina High School on Sunday, April 22, 2007 as the Alumnae Association hosted their First Annual Mass and Brunch at the school. More than 170 alumnae came out for this bittersweet event, as this was the last mass to be held in the Chapel before the big move to the Warren campus takes place this summer. Bishop Earl Boyea along with Deacon Bill Jamieson celebrated the mass and the RHS choir sang like angels. Following the Mass was a delicious brunch served by NHS members. There were hugs, laughter and flashing cameras for hours. This was a great success for the "rebirth" of the Alumnae Association.

Special thanks to all those who made the event possible....

Honorary Chairs for the \$5 million comprehensive campaign.

The campaign is being chaired by Mr. Greg and Mrs. Phyllis DeMars, current parents; Ms. Rosemary Wlodarczyk, Class of 1977; Mrs. Ann Agrusa Agosta, Class of 1964; and Mrs. Joyce Kierschke Rondini, Class of 1964.

"I have often considered getting involved with Regina in a meaningful way," said Honorary Chair Jan Belcours. "I truly view this program as an opportunity to position Regina for the future and give back to an institution that has had such an impact on my daughter."

"The success of this campaign will allow us to address the spiritual, academic, athletic, and administrative needs of the school as prioritized by our community", said Mary Ann Goll, Advancement Director for Regina. "The campaign has two components: construction and renovation of the Warren campus and an endowment fund." Cash and pledges over a half million dollars have been secured to date.

"We want to ensure that our students will receive an outstanding, quality education, in a state-of-the-art facility, yet be sensitive to the need to maintain an affordable tuition," said Ms. Pamela Zarkowski, Class of 1971, President of the Board of Directors.

Our school is moving in July, 2007 to the new campus in Warren, making it the only school of its kind in Macomb County. Enrollment for next year has jumped significantly. We continue to serve students from numerous areas in the Detroit metropolitan area.
