Legislation is still pending regarding MME.

Financial Aid

FAFSA
We Help Put America Through School

July 1, 2005 – June 30, 2006
FREE APPLICATION FOR FEDERAL STUDENT AID
OMB # 1845-0001

Use this form to apply free for federal and state student grants, work-study, and loans.
Or apply free online at www.fafsa.ed.gov.

Applying by the Deadlines

For federal aid, submit your application as early as possible, but no earlier than January 1, 2005. We must receive your application no later than June 30, 2006. Your college must have your correct, complete information by your last day of enrollment in the 2005-2006 school year.

For state or college aid, the deadline may be as early as January 2005. See the table to the right for state deadlines. You may also need to complete additional forms. Check with your high school guidance counselor or a financial aid administrator at your college about state and college sources of student aid and deadlines.

If you are filing close to one of these deadlines, we recommend you file online at www.fafsa.ed.gov. This is the fastest and easiest way to apply for aid.

Using Your Tax Return

If you are filing a 2004 federal income tax return, we recommend that you complete it to calculate your anticipated income and tax information. If you have not yet filed your return, you can still submit your FAFSA using this data. Do not have income questions blank. Once you file your tax return, you must correct any income or tax data that changed on your FAFSA.

Filling Out the FAFSA

Your answers on this form will be read electronically. Therefore:

- use black ink and fill in ovals completely.
- print clearly in CAPITAL letters and skip a box between words.
- report dollar amounts (such as \$12,345.41) like this:

Correct • Incorrect ✖

1 2 3 4 5 6 7 8 9 0 - . /

\$ 1 2 3 4 5 6 no cents

Green is for student information and purple is for parent information.

If you or your family has unusual circumstances (such as loss of employment), complete and submit this form as instructed and then consult with the financial aid office at the college you plan to attend.

If you have questions about this application, or for more information on eligibility requirements and the U.S. Department of Education's student aid programs, visit our Web site at www.studentaid.ed.gov. You can also call 1-800-4-FED-AID (1-800-433-3241). TTY users may call 1-800-730-8913.

Mailing Your FAFSA

After you complete this application, make a copy of pages 3 through 6 for your records. Then mail the original of only pages 3 through 6 in the attached envelope or send it to: Federal Student Aid Programs, P.O. Box 7001, Mt. Vernon, IL 62864-0071. Be sure to keep the worksheets on page 8.

If you do not receive a response within four weeks, please check online at www.fafsa.ed.gov or call 1-800-433-3241. If you provided your e-mail address in question 17, you will receive information about your application within a few days after we process it.

Let's Get Started!

Now go to page 3, detach the application form, and begin filling it out. Refer to the notes as instructed.

EDP – mydreamexplorer.com

- An Education Development Plan (EDP) documents an ongoing process in which a learner identifies both career goals and a plan of action to achieve them. The purpose of the EDP is to provide every student with a periodically updated and ongoing record of career planning that will guide in taking effective steps to enter a career of choice.
 - **personal information**
 - **career pathway goals**
 - **educational/training goals**
 - **career assessment results**
 - **plan of action**
- Seniors are required to do an independent project on career choices through their Christian Lifestyles Class.
