Volume 23, Number 3

March 2008

Principal's Message

Past memories still linger and every once in a while they take us back to what we had and what we miss. However, our new environment has been a blessing. Realizing that our decision to move was necessary makes us appreciate what we have, adapt to the changes, and do what we do best... continue our outstanding academic and faith-based education! Our choice to move and stay open is not without cost. Your financial support has been an important part of our past and is now a necessary part of our future. We have asked you to donate to our Annual Fund program and at the same time we have asked you to consider pledging to our Capital Campaign. These are two major requests involving money. Our Annual Fund helps us to continue our mission and supports the day-to-day operation of Regina High School. Because the money can be immediately put to use, the Annual Fund gifts of our many alumnae, parents, and friends provide us with unrestricted resources for professional development, academic initiatives, classroom equipment, upgrades in technology, a scholarship program, and other expenses not covered by tuition. Your donation to this Fund is vital every year and helps us to deliver the highest quality college preparatory education to the young women attending Regina High School. The Capital Campaign is a "first" at Regina High School. It is time-limited in that it has a beginning and an end and is used to raise significant dollars for a specific project.

Continued on page 3

"Building Our Future"

By now all of you know Regina High School is conducting a Capital Campaign called "Building Our Future". You may not have been solicited personally as yet, but be prepared! I will be honest with you. Neither I nor the fellow alumna or parent who will be calling on you feels comfortable asking you for a donation but because you know in advance the purpose of our contact and you have time to pray about your level of involvement, an awkward situation can be avoided.

You're asking yourself "What are they thinking, a capital campaign in this economy?" Well, the campaign,—"Building Our Future," kicked off in April 2007. The move to Warren was imminent, and funds were needed to pay for the renovations at the new school and grow our endowment fund to keep tuition affordable. Our goal is hefty, for sure, but this is the first time Regina High School has asked its' families to make a stretch gift - to dig deeper for the students, Sisters, teachers, and the school you love. Your past generosity to the Annual Fund, or Scholarship Fund helped with day-to-day operational expenses. Your 3 to 5 year pledge to the Capital Campaign supports Regina's future.

It benefits all of us to keep the big picture in mind – **donating to Regina's Capital Campaign means making a commitment to a bright future for many young women.** There are no limits to what a girl can do when equipped with the right tools. (Maybe run for President and win!) This school year our enrollment jumped by 50 students to 515, the first enrollment increase in three years. A similar increase is expected for the 2008-09 school year. I'm telling you this to let you know that Catholic college preparatory education is still in demand, and Regina High School is satisfying that demand. Regina students consistently score higher on the A.C.T. and the Michigan Merit Exam than Michigan Public School students. The Class of 2007 earned over \$3.5 million in college scholarships and 100% of our graduates enrolled in a college or university.

While there may be other organizations whose needs exceed Regina's, our donor pool is far smaller than national groups. That is why we need you to make Regina a priority in your giving plan. Universities receive billions of dollars for their endowment funds along with significant corporate support. **We must rely on the generosity of our close circle of family and friends, making your gift very meaningful to us.** Please ask yourself: "What role did Regina High School play in the successes of my life?" I hope your answer, and enthusiasm for Regina has you reaching for your checkbook or calling me for a pledge form. As a donor to the campaign myself, I look forward to the privilege of calling to thank you for your commitment, while extending the best wishes of the young ladies entrusted to our care.

All the Best,
Mary Ann Goll
Advancement Director

The Capital Campaign Pledge Letter of Intent is available on the website www.reginahs.com under Advancement—"Building Our Future", or call 586-585-0500 x 285 for more information. Many payment plans and Naming Opportunities are available.

Total Pledged

Building Our Future - Capital Campaign Kicked off April 19, 2007

"Transforming Girls Into Women of Faith and Vision in the Franciscan Tradition"

Thanksgiving Food Drive

Our Annual Thanksgiving Food Drive was again a huge success. Regina students, faculty, and staff collected over \$10,000 in food and monetary donations. As always, a member of each of the sponsored organizations took part in our prayer service. The charities involved this year were St. Patrick's Senior Center – Detroit, The Capuchin Soup Kitchen- Detroit, St. Jude's Food Pantry, C.O.T.S. (Coalition On Temporary Shelter) - Detroit, Turning Point – Mt. Clemens, St. Leo's Soup Kitchen-Detroit.

It is evident that the students of Regina are following in the Franciscan tradition of being instruments of God's peace by helping those less fortunate. Debbie McHardy of St. Jude's said, "You certainly are learning your Christian service and putting it into practice- it is evident as you reach out to so many in need."

Pictures by Megan Price, City of Warren

Something Special to Hug

The Regina High School Student Council members partnered with Ashley Johnson, a 17 year old cancer patient, to bring joy and ease the fears of other children in the community with cancer. A former alumna of Regina High School made Student Council aware of Ashley's wish to provide teddy bears to children with cancer. Ashley

was quoted as saying, "I know that kids with cancer have a lot of sadness. I want them to have something special to hug and to hug them back. I know how scary hospitals are without familiar faces and friends." After hearing Ashley's story Student Council overwhelmingly agreed to participate. Student Council members had a competition between lunch periods to collect the teddy bears. Ashley and her mom delivered the teddy bears to the Mott Children's Hospital on the University of Michigan campus.

French Pen Pals

The students of Sr. Rose Mary Sam's French III class are participating in a special pen pal project with a small rural school in the village of Charentay, in the south of France. Sister Sam's friend is a teacher there. About two months ago, the French III class wrote letters partly in French and partly in English and sent them to the French students. They were thrilled with the letters and in turn were matched to their American counterparts. Their letters arrived and the feelings of excitement were mutual. The students shared the mix of French and English letters aloud to the class and displayed them at Regina's Open House

Fine Arts Dept. Shares It's Talents

This winter has given our girls an opportunity to perform in the community. Before Christmas, Regina High School's Ensemble Choir performed for seniors at the Warren Community Center, spreading holiday cheer and the gift of music. The Blue Notes, Regina High School's concert band, celebrated Catholic Schools Week in a performance for kindergarten through eighth graders at Our Lady Star of the Sea. Their performance included a movie medley of songs which the audience had to guess and a collaboration with the students in the Star of the Sea Band. The performance was met with a standing ovation!

Catholic Schools Week

Catholic Schools Week ended with the annual Student/Teacher Volleyball game. This year proved to be very competitive. The students were trying to regain the trophy and let the teachers know who ruled the volleyball court. The extra pep talk from Student Council, the creative line judging calls, and the entire line-up of the volleyball team were no match for the teachers' MVP (the ringer), Mr. Kyle Smith. Mr. Smith is new to the Business Office this year AND an asset to the teachers' volleyball team! Much to the students' dismay, the final score was 2-1 in favor of the teachers. Both students and teachers look forward to keeping this tradition!

Baby Schimmel Arrives!

Mrs. Schimmel, Science teacher at Regina, welcomed her future "Saddlelite" in December. See that smile? No doubt dreaming of her first pair of saddle shoes!!

Mrs. Schimmel and MacKenzie

Principal's Message

Continued from page 1

Regina's "Building Our Future" campaign is designated to continue for a period of five years to help pay the debt we incurred by purchasing the building and property in Warren. We constructed a beautiful Chapel and made major cosmetic and safety renovations to the building. Our mortgage payments are significant and we need financial support to meet our responsibility.

The cost of providing the highest quality education continues to outpace inflation. We need to meet these costs and secure the resources necessary to continue our Mission and our educational endeavors. As a private Catholic school, no public entity will help us with our financial burden. Therefore, we can only look to our families and friends for donations (and prayers!). We thank you for all your past generous support and we ask you to continue to help us achieve our future goals.

God bless!
Sr. Mary Leanne

SADDLE NEWS... Alumnae News

Messages from the Alumnae Board

Dear Alumnae,

Happy 2008! We are off to such a great start...we've kicked off the new year with meetings in January and February. We will be taking our meeting in March to a night on the town, hosting our 2nd Annual Alumnae Mass and Brunch in April, having a planning session in May and we'll be off to the races in June with the 2nd Annual Capital Campaign Dinner Dance – Saddlelite Derby....are you ready?

It wasn't too long ago that the Board and I were appointed to our positions, and we are still so thrilled to be back and giving the Alumnae Association the face lift it needed. Well, we've nipped....we've tucked and we're pretty proud of our creation! Regina Alumnae are spread out all over this world and our day to day lives are hectic, but we know you are listening! You recognize us in the grocery store, at restaurants, and in waiting rooms. You know what is going on in the school. You are reading the Saddle News – and for a good reason too! With all we have received from our time at RHS, it is time to give a little – not just to the school but to future generations of young timid girls who are waiting to blossom into strong, compassionate, and educated women.

As much as we love seeing you around town, we want to see you at our meetings, our events, or just stopping by to say "Hello." As always, please reflect on how you can utilize your time, talent, or treasure to reconnect with Regina High School.

Gratefully,
Emily Radatz
Alumnae President

Vice-President Donna Przepiora ('81), "strongly believes that had it not been for my Catholic education I would not have had the discipline to succeed at receiving my Masters degree. It was hard work, but Regina prepared me for it. I also believe strongly in giving back to your community and what would be more meaningful than giving back to the school that helped me to succeed? Regina has always been a strong knit family and I am proud to be a member of that family and support it in any way I can."

Vice-President Sherill (Cucchetti) Piscopo ('73), says "being a graduate and having two daughters graduate from Regina, I love this school. It prepared me for what I do today. I support the school on a monthly basis and consider it the best investment ever into the lives of young women."

Recording Secretary Katherine Brennan ('99), is very excited about what is going on at Regina with the move to Warren. "I know that my high school education helped mold me into the person I am today. I enjoyed going to Regina for high school and realize that it is my responsibility to give back to Regina by supporting through time and money. The alumnae association members that come to monthly meetings are VERY excited about upcoming events...please help us make Regina the school we all know and love."

Janet (Spanich) Leze ('60), shares that "almost 48 years ago I proudly graduated from RHS's inaugural class!! Being a personal secretary-administrative assistant all my 48 working years, integrity, honesty, moral values and discipline have been major factors sustaining my career. A Catholic upbringing instilling these virtues is something I am ever so thankful for to this day. My high school academic education has carried me very far, also. The three "R's" certainly went a long way back then! And, so, as a way of saying 'thank you' for all this,

I have personally felt it important that I 'return the favor' in some way! Volunteering at RHS seems 'just right' for me. We all need to realize just how we got to be where we are today and what/who made that possible! Paybacks are great - as we say - so let's be sure we do so - in a positive way! Time and/or money go a long way in saying you care. Let's enable future generations to be ever so fortunate as we are."

Regina High School Memorial Scholarships

Regina High School offers several scholarships to our students. All levels of donations are accepted. To donate or for more information, call the Advancement Office at 586-585-0500 ext. 285

Alumnae Spotlight

This past January, the Sundance Film Festival, premiered a film titled *The Visitor*, telling the story of friendship and compassion in which a middle-aged widower befriends an immigrant couple in post 9-11 New York City. Producer Mary Jane Skalski, Regina High School Class of 1984, has made a career of such films, examining social, cultural, and political issues with an honesty and reverence that resonates on both a global and a personal level. *The Myth of Fingerprints* and *The Brothers McMullen* challenge values and ambition through the careful study of the modern family. *FUR: An Imaginary Portrait of Diane Arbus* and *The Station Agent* confront social norms and the prevalence of prejudice and discrimination as they each examine a journey of self-discovery.

In her distinguished career, Mary Jane has invested her producing talents to many award-winning films. She is a well-respected member of her field. She was awarded the IFP Producer Award, was named one of Variety's Producers to Watch, is a consultant for Fortissimo Film Sales, and works in the Graduate Film Department at Columbia University as an assistant adjunct faculty member.

Mary Jane lives in New York with her husband Damon Lane and together they are embarking on a new production project - raising their twin boys, Jake and Ellis, born in July of 2006. Mary Jane has stayed in touch with many of her classmates from Regina High School, who are excited to see *The Visitor* this April when it is released in the Detroit area. Nikki Anastas Iafate '84 nominated Mary Jane as the Spotlight Alumna because she is a role model Regina students can look to when they may think their "dream" is too hard to reach. "Mary Jane has made a name for herself in her industry through hard work and determination, and she has supplied many of her Regina friends an opportunity to live vicariously through her exciting life. For that we thank her," said Nikki. "We wish her luck with those two little guys and we want to say how proud we are of her tackling motherhood two at a time!"

We would like to thank Mary Jane for being a source of inspiration for our students and to Nikki Anastas Iafate for sharing her friend's accomplishment with us.

SADDLE NEWS...Alumnae Updates

1960 S. GAIL (BARLSKI) ABKE resides in Warren and is retired and enjoys gardening, reading and card playing. **BARBARA (VOLANSKY) CATALDO** lives in Bellaire with her husband Sam. Alumnae Christmas Party

This December the Alumnae Association hosted their first and now annual Christmas Party in the Regina Café. The evening was filled with laughter, reunions of old friends, a great dinner from Zuccaro's, a chocolate fountain, and fabulous prizes. Before the evening began, there was a small presentation by the Alumnae Executive Board. The Alumnae Association started a new tradition by honoring women who contribute to that purpose of being committed to the education of young women through faith, stimulating the loyalty of the alumnae in the school through actions, strengthening the School through alumnae vision, providing a liaison between the School and its alumnae, and fostering a sense of kinship within the community. The Alumnae Association started a new tradition by honoring women who contribute to that purpose. Here are our 2007-2008 honorees....Ms. Frances Berger ('66), Mrs. Suzanne Portnova ('75) Ms. Ms. Carolyn White ('69), and Carolyn Lekki ('73)
