President's Message

Dennis Linke

As the school year comes to a close it is also concludes my time as the President of the Regina Dads Club. I am proud to say that the Dads Club has an extraordinary group of committee members who over the last two years have sacrificed their time and energy to develop the club into a solid and forward thinking group.

We have made great strides in laying the ground work for positioning the club to be able to better serve Regina and help provide for a better experience for our daughters. As you will read in the following article, we are in the process of setting goals that we hope will meet these objectives.

I am forever thankful to all the committee members for their support, dedication and guidance. I feel we have accomplished much but none would have been possible without this fine group of dads.

I would now like to introduce our NEW Club President Bob Gazall. Bob (whose daughter Emily will become a junior this fall) officially takes over this month but has already displayed impressive leadership as he prepares to undertake the task of leading the club into the next year. Please join me in welcoming him in his new position.

Thank you,

"Fathers, do not exasperate your children; instead, bring them up in the training and instruction of the Lord".

Ephesians 6:4.

Upcoming Plans

We plan to meet monthly thru the summer so we can 'hit the ground running' in September. The foundation has been laid for a much more active Dads Club and hopefully more events with our daughters will be organized. We also hope to develop plans to raise more much-needed funds for the school and are considering beautification of the entranceway, picnic area, scholarships, dances, etc. etc. Input from dads (and daughters!) is vital to this mission.

From our last meeting...

The second round of **Poker Nights fundraiser** at Continental Lanes is set for June 16-19. **Volunteer workers are needed and 4 hour shifts are being established.** If you can help contact Dennis at djlinke@comcast.net

53 out of a class of 93 girls attended last month's **Senior Daughter/Dads Mass & Breakfast** ceremony.

Shirts displaying the Dads Club name and Regina logo are being ordered for those interested.
