Mr. Charles Stys

Honorable Antonio Viviano

Sr. Colette Wilczynski, SSJ-TOSF

Mrs. Barbara Ziarko

Sr. Michelle Wronkowski, SSJ-TOSF

January 2009

Dear Friends:

In these changing and challenging times we believe, perhaps more than ever before, in the value of a Christ-centered community wherein our students can be nurtured spiritually as well as academically and physically. For all these reasons, we need the support of you, our Donors.

The Final Countdown starts NOW!

The need for long-term capital funding for Regina High School is of great importance. Our Capital Campaign - "Building Our Future" addresses the need to pay the costs associated with the renovation of our Warren campus. In order to keep our school competitive, we must continue to upgrade our building to meet the challenges that are daily occurring in the area of curriculum and technology. With the constantly advancing global markets, we are challenged to prepare our students to navigate collaborative spaces in safe and ethical ways. Technology's impact on the work force indicates that new skills are definitely needed in the 21st Century. Therefore, completing our Capital Campaign is our single greatest need.

The Campaign also addresses the need for the growth of our Endowment Fund. This Fund is the backbone of our educational future. It is essential to keep our quality Catholic college-preparatory education affordable, not only for the near future, but also for many generations to come. These funds will give many more students the opportunity to attend Regina High School and experience both the academic and experiential aspects of Christian living.

I invite you to come and see us! Take a tour of our facility. You will see and hear our plans for further renovations. You will see that additional resources will help us not only to maintain, but also to exceed the level of excellence we currently provide our students. This is an important time in the history of Regina High School. And in the midst of the many worthy causes that exist in our world today, I ask you to please consider Regina High School as you make your decision regarding the disposition of your charitable donations.

It is with gratitude for your past support and with confidence in your on-going support that I ask you to help us in "Building Our Future!"

Sincerely,

Sr. Mary Leanne
Principal
