## Principal's Message

As the days slowly came to an end at Regina High School at the 8 Mile and Kelly location, there was much to think about, to do, and to plan for the future. With fond memories, I look back at all that had taken place at the Harper Woods campus over the past 51 years. Gratefully, I continue to pray for all the people who have been loyal supporters and steadfast members of the Regina Family. There were easy and hard times, happy and sad times, victories and losses, and cheers and tears. These are the elements of life. Regardless of what each individual experienced at the Harper Woods Campus, most can be classified as unique and special.

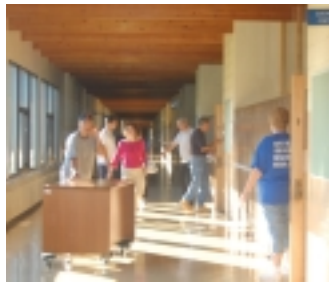

We have now settled in the Warren Campus! With the move comes change and change has already had an impact on our enrollment, our student body, and yes...even our most seasoned teachers. There is an exciting and positive atmosphere. So now we start another milestone....another 50 plus years of Mission, tradition, and welcomed Saddlelite territory! You have helped us in the past....we know you will continue to help us into the future! God Bless!

### Move to Warren Complete...Vision Realized! 2006-07 Honor Roll of Donors Begins Page 5

The long awaited relocation of Regina High School to Masonic Boulevard in Warren Michigan is complete. The tireless efforts of our Board of Directors, Administration, Faculty, students, volunteers, TMP Architects, The Monahan Company, and dozens of sub-contractors, paid off in a big way...**we have a jewel of a school!**

It all began shortly after school was dismissed for summer vacation in June when the teachers and students packed up the classrooms. Then, in mid July, we had a garage sale disposing of dishes, silverware, furniture, appliances, computers, and yes, typewriters and sewing machines.

The sale net the school \$8,000 - not your typical neighborhood sale! In late July the trucks, vans, and cars arrived. They were packed with boxes, furniture, and equipment, and in what seemed to be just a few moments, Regina was transported into its future. The vision to move Regina, which began in 2005, was realized.

The sadness of leaving our beautiful home of 51 years was quickly turned to excitement and joy as we entered the newly renovated facilities in Warren. As we settle in, we ask you to pray for our faculty and staff who's dedication made it possible to welcome the 2007-08 student body on August 28th at 7:50 a.m.

Students unite to find their classrooms!

### **Meet the Capital Campaign Chairs...This edition featuring Rosemary Wlodarczyk**

Rosemary Wlodarczyk is a 1977 Graduate of Regina High School. She grew up on the eastside of Detroit with her parents and siblings. After high school Rosemary moved to Florida working as a Media Coordinator and Legislative Aide to Senator Ken Jenne. Upon returning to Michigan she attended the U of M receiving a Bachelor of Arts Degree in Broadcast Communications. Rosemary worked as a Journalist with Fox 2 Detroit for 5 years until taking her current position as Producer at WXYZ Channel 7 Detroit 10 years ago. Rosemary produces Action News at Noon with Carolyn Clifford, Robbie Timmons and Dave Rexroth. She has won 3 Emmy awards from the Michigan Chapter of the National Academy of Television Arts and Sciences, & the Award for Broadcast Excellence from the Michigan Association of Broadcasters.

When asked why she accepted the position of Co-chair for the Capital Campaign, Rosemary had this to say..."Regina High School has always held a special place in my heart. Since my sister Carol Ann (1974) attended Regina, I also wanted to follow in her footsteps. My parents insisted on a Catholic education for all of their children. Because of their dedication and love, we accomplished so much in our lives."

"The 50th Anniversary Mass at Regina High School brought back the fondest memories of good friends and good times. During the course of the Mass I was filled with pride and gratitude to be so blessed to be an alumnus of such a fine Catholic school. This celebration was a turning point for me, and I knew I wanted to be actively involved at Regina. When approached to be a co-chair of the Capital Campaign I couldn't be happier. It was a way to insure that Regina High School would continue to educate fine young women in the Catholic tradition for generations to come, at the new Warren location. Many of my fellow alumni expressed regret that the Harper Woods location was closing and Regina was moving. But life is about growth and new experiences. It will always be Regina, regardless of where it is located, and future generations will form their own lifelong bonds and memories. We should all thank our parents and our families who put their trust in Regina to turn young women into fine members of the community. Being a part of this incredible future is special and fulfilling. The Capital Campaign Committee is well on its way to securing the donations necessary to meet our goal."

*Building Our Future* - Capital Campaign Kicked off April 19, 2007

## Message from the Alumnae President

The “rebirth” of the Regina Alumnae Association had a tremendous first year. I would like to take this opportunity to thank; Mary Ann Goll, RHS Advancement and Alumnae Relations Director, my fellow Co-President Marlanna Landeros '97, Vice-Presidents Donna Przepiora '81 and Sherill (Cucchetti) Piscopo '73, Secretary Katherine Brennan '98, and Treasurers Janet (Spanich) Leze '60 and Andrea (Tersigni) Taravella '99 and all of the other committee members, volunteers and fellow alum who made our year unforgettable.

To re-cap last year's events, we participated in the Capital Campaign Kick-off by providing a pair of saddle shoes for the time capsule, we hosted an Alumnae Mass and Brunch in April. We volunteered for the Capital Campaign *Under the Boardwalk* dinner dance in June and then walked in Detroit's Race for the Cure that same week. We held monthly board and general meetings and each time saw new faces and heard exciting ideas.

We have the many memories and traditions of the Harper Woods campus, and now students, faculty and staff are eager to make new memories and traditions here in Warren. It is our job as alumnae to keep the Regina spirit alive. We ask for your continued support whether it's through time, money or prayer. Regina High School wouldn't be where it is today without the unconditional love and support from its Alumnae.

Get out your calendars and write down our upcoming meetings and events (page 22) and don't forget to check out our Ambassador Program (page 4).

As always please keep us updated with all the happenings going on in your lives... stop by for a visit, give us a call or send us an email. We can be reached at (586) 585-0500 ext. 225 or [eradatz@reginahs.com](mailto:eradatz@reginahs.com)

## **Message from the Principal**

Although August 2007 marked the closure of our presence in Harper Woods, our move to Warren greets us with the same challenges. Our Mission continues to be not only to maintain but also to enhance the quality of education and the development of the skills of learning leading to academic success for each of our students. Catholic education for the third millennium must focus on developing strong faith communities and promoting the gospel message of peace and justice. At Regina High School our commitment is to prepare our young women for leadership in the Church and the world.

We are grateful to you our generous donors and we thank you for being an investor and a partner in Catholic education especially at Regina High School. As a partner, you are taking an active role of shaping the future. Using the words of Father Solanus Casey, we "thank you ahead of time" for your generous assistance and support to the ongoing life of Regina High School. Be assured of our prayers of gratitude.

Sr. Mary Leanne, SSJ-TOSF  
Principal

## **Message from the Advancement Director**

Over the past fiscal year you have been asked, on numerous occasions, to give of yourself for the future of Regina High School. I am proud of the response from this family of donors. Our donations increased significantly. We have so much to show for your generosity. I hope you will come visit us to see the results of your sacrifice. The 2007-08 school year brings us to a new home, with many challenges, a larger student population, and the objective to remain on the cutting edge. I hope we can count on you to remember Regina High School in your philanthropy plans. I promise, your monies are wisely spent, and appreciated beyond words.

## Ways to Give to Regina

**Gifts of Cash:** Most gifts are outright cash contributions, allowing donors to receive full tax benefits if they itemize deductions. We accept cash, checks, Visa, Mastercard and now offer EFT (electronic funds transfers).

**Gifts of Securities:** A gift of appreciated securities, either publicly traded or from a private company, may provide greater tax advantages than gifts of cash. The donor can deduct the current fair-market value as a charitable gift and completely avoid capital gains tax on the appreciation.

**Pledges:** Commitments made to the Annual Fund as pledges must be paid by June 30 (the end of our fiscal year).

**Employer Matching Gifts:** As many companies have come to recognize the value of philanthropy, they have agreed to match or multiply donations made to Regina High School by their employees. Those who wish to enhance the value of their gift significantly are encouraged to contact the personnel office of their employer about matching-gift opportunities.

**Gifts of Personal Property:** Contributions of tangible personal property—including rare books, works of art, and antiques—may provide immediate tax advantages.

We have made every attempt to include the names of all our donors. If we omitted your name, it was an error and we apologize...please contact the Advancement Office. This year we couldn't post the extensive list of those attending functions or purchasing raffle calendars...please know we appreciate your participation and hope you will continue to enjoy the variety of events offered by Regina High School.

## **Message from the Athletic Director**

A new school, some season changes for our sports, and the whole Regina community looks forward to the challenges that lie ahead.

Many of our teams closed the doors on Kelly Road with some outstanding achievements. In the fall both our Cross Country and Tennis teams qualified for the State Finals.

In the winter, our Varsity Bowling team qualified for the finals and Felicia Goll ended a stellar four year bowling career for the Saddlelites by winning the Individual State Championship in Division II.

The spring featured one of our golfers and several members of the Track team qualifying for the finals and culminated with the Varsity Softball team becoming the first Division I softball team in Michigan to win four consecutive state titles

Thus, the challenges lie ahead; our teams have set the bar high and Macomb County will soon become aware of the presence of the Saddlelites.

See you at a game,  
Diane Laffey  
Athletic Director

Fall Sports include: Cross Country, Swimming and Diving, Golf and Volleyball. For scheduled match dates and times go to [www.reginahs.com](http://www.reginahs.com) or call the

## **News from the World of Fundraising.... The long awaited day arrived, we are in Warren!**

September 2006, I was hired to start the Capital Campaign to raise funds for the move to Warren; I thought moving day would never come. It seemed so far off and we had so much to do before we left Harper Woods. Well, moving day has come and gone. We accomplished something many schools do not even attempt. We took a leap into our future and landed in a remarkable place. Opportunities abound as we continue to grow. Thanks to all for your support, volunteerism, and prayers. This 2007-08 school year is very exciting, and we want you to be an active part of it, so come for a visit, attend an event, or give me a call. Regina is experiencing a Renaissance that you helped make happen.

Mary Ann Goll  
Advancement Director

## **New Public Relations and Marketing Director**

My name is Cathy Zuccaro and I am the new Public Relations and Marketing Director at Regina. I am also responsible for the website and Student Council.

I am a proud alumna (do I have to say the year?) of the class of 1984. I have always cherished my high school experience and the life long friends that I made.

I received my Bachelor of Business Administration from Northwood University back in 1987. After raising my children to school age, I returned to school and completed my post-degree in secondary education from University of Detroit Mercy. I have been a Michigan certified Social Studies and Business Education teacher for the past six years at Cardinal Mooney Catholic High School in Marine City. I was also the Student Council moderator for two years. Being the Student Council moderator with Amy Dulgerian is what I am looking most forward to. I enjoy the liveliness of Student Council; in addition, the many activities can only enhance my public relations responsibilities...

Although I looked forward to sending my daughters to Regina, God had a different plan! I am happily married to Mark Zuccaro and have three great BOYS! Two of my sons attend DeLaSalle Collegiate and my youngest will be there soon. For my boys, mom's new job is bittersweet. (I guess I can be embarrassing at times!) For me, Regina has always had a special place in my heart and I look forward to promoting my alma mater at this exciting time in its history.

## **New Associate Director of Advancement**

Hi! My name is Emily Radatz; I am an alumna from the class of 2001, and am honored to return to Regina as Associate Advancement Director. I received my Bachelor's of Science degree from Madonna University in May, 2006. My sister, Elizabeth also graduated from Regina in 2003 and both of my parents participated in many school events, so I am very familiar with the Regina Traditions and Mission. I am engaged to Scott Berschback (Nephew of Anne 'Meyers' Berschback '60 and RHS Counselor Mary Berschback). He is a meteorologist for the Weather Network in Toronto, Canada. We will be married on June 20, 2008- I am so excited! Currently I serve as the Alumnae Associations Co-President. So, both positions will give me a change to use many new ideas and cannot wait see them develop.

At the risk of sounding cliché, the four years I spent at Regina High School were four of the best years of my life, so it is my goal to be able to provide that same experience for current and future students and to make the Alumnae Association flourish into something far greater than anyone ever imagined.

Fresh paint on the walls, fresh faces walking down the halls, we have many new projects to implement including a new and fresh look to the calendar raffle. My door is always open, so definitely stop by to see me. If nothing else, I have a candy jar on my desk! You can reach me at (586) 585-0500 ext. 225 or [eradatz@reginahs.com](mailto:eradatz@reginahs.com)

## **Support Regina High School through your WILL**

**The Center on Philanthropy at  
Indiana University says: single women are  
significantly more likely than single men to make  
a charitable donation. Married men and married  
women are both more likely to give and to make a  
larger gift than single men, indicating that  
women's propensity for giving influences the  
philanthropic habits of their  
husbands!**

A couple who enjoys a loving marriage was visiting Regina High School. The occasion was her reunion. They talked to the principal about how they could help the school. They had some retirement savings, their children were grown, and they were willing to share. The couple was not wealthy, and they wanted to have enough savings to see them through their retirement years. The solution was clear, they should make a gift through their wills. In the future, Regina will have an excellent, well-equipped classroom bearing their name. The couple believed that Catholic education, which prepared them for a happy life together, was important, and they acted on their belief.

When Catholic religion is ridiculed and portrayed as out of step with the real world, young Catholics need to understand what is really important and who is really out of step. Young people need a set of values, grounded in correct Catholic teaching, to see them through the difficult age. Graduates of Catholic high schools have to do more than wish the system success, however. It will take a commitment of money and prayers. Your Catholic education was supported, in part, by the sacrifice of others. Now it is your turn to help the next generation of young Catholics.

A will lets you say how your estate will be distributed after your death. That means you can provide for children or grandchildren in the way you want. Without a will, the state will decide this for you, and the results may not be what you would have wished. You can direct dollars to Regina that might otherwise go to government taxes. With a will you know that the dollars will be used in a manner similar to your beliefs, values, and moral commitments. Some donors leave their school a fixed dollar amount; others specify a percentage of their estates. Sometimes they choose their high school to receive a specific piece of property such as a house. You can give nearly anything – stocks, bonds, real estate, etc. Direct a gift to a particular project and work with the school to develop it as a memorial which identifies you as someone who has touched the lives of those to follow is another option. Your attorney can help you choose the wording that best expresses your wishes.

Regina High School has given you an education for life. The people you encountered here have given you important insight into Christian values and their role in your life. As a steward, take the steps necessary to help Regina maintain its strength so that it can serve others in the future.

A gift through a will can bring satisfaction to you for the rest of your life.
