From the Outgoing President

.....Lori Sparagowski

WOW! That went fast! It truly seems like yesterday when I bought the uniform skirt and 5 shirts and drove my daughter to that big Regina High School in Harper Woods. A lot has happened since then... and it seems like every year went faster than the one before! This past week, with Baccalaureate and Graduation was truly special.

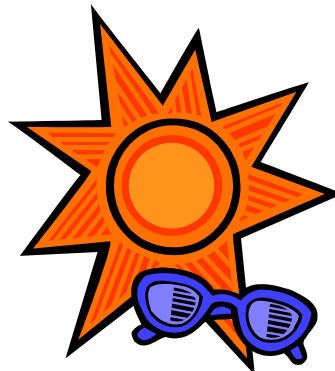

Both were beautiful ceremonies, finishing off a great four years by the Class of 2010. It also brought home to me again what a great education our daughters are getting here at Regina. Two thirds of the class received honors- 21 students with a 4.0 or above. The only Warren School with more 4.0 students was Warren Cousino.

They are not just studious though- they excelled in Music and Art. Just take a walk through the hallway at school and check out the beautiful Art projects they have made this year. They were also athletes, including the Catholic League Athlete of the Year – Cory DeLamielleure. I wondered as I sent my daughter off to high school, if we had chosen the right place- if we had given her the same opportunity as her brother to succeed. After four years we have our answer. YES!

Congratulations Class of 2010.

In the words of Rascal Flatts:

*I hope you never look back, but you never forget all the ones who love you in the place you left
I hope you always forgive and you never regret and you help somebody every chance you get
Oh you find God's grace in every mistake and you always give more than you take
More than anything, my wish for you is that this life becomes all that you want it to!*

From the Freshman Mothers Guild Rep

Well, another Regina Baccalaureate Reception can be added to our history/record books.

Everyone in attendance seemed to enjoy themselves. Our graduates made me smile with all the excitement they generated through their socializing, picture taking and beautiful smiling faces.

As a freshman mom, I think it is wonderful to see what my daughter has to look forward to. I have also experienced firsthand that Regina High School is blessed with many people who are willing to volunteer and work together to make each event successful. Thank you...parents! Thank you...students! Thank you...faculty! Thank you, Helen Dombruski for your commitment to Regina, for the assistance with all the school communications and for the much appreciated guidance and support, from both you and Lori Sparagowski, that this “rookie mom” needed to plan this event.

Another Thank you that cannot go unacknowledged is to our dedicated cafeteria manager, Mary Jo Czarniecki and her amazing staff! Please know I am very grateful for all the time and effort you put into preparing and serving that amazing menu!! I admire how you made sure our volunteers had something to eat as well! You are our “cafeteria angel”!

I could not have pulled this off without the help of EVERYONE who got involved!! I apologize for not mentioning each of you but I want you all to be reassured that I won’t forget all the help and support I received from each of you!

Teamwork: Simply stated, it is less me and more we.

Auction Committee Now Forming

The Auction Committee plans, organizes and hosts this annual event, which raises proceeds for need-based scholarships at Regina High School. If you are interested in joining a fun group that values the contributions of its members, then consider joining this year's Auction Committee. We can certainly use more Committee Members because more hands mean less work for everyone!

This year's **kick-off meeting** (a Mexican Fiesta!) will be held at the home of Carl & Karol Berndt in St. Clair Shores on **Wednesday June 23, 2010**. If you would like more information about the Auction Committee and what is involved, please contact Karol Berndt at 586.558.9000 x12 (office) or via e-mail at kberndt@berndtlegal.com.

Please note: We use the word "meeting" lightly. Our "meetings" are more parties than meetings. If you like to "get involved" and have fun while doing so, this is the group for you. We gladly welcome Regina parents who want to be part of a meaningful event and we hope you will consider joining our committee!
