# You are invited to

"Leave your mark on Regina High School!"

We are pleased to announce that a major landscaping project in the four interior courtyards of the school will include a Commemorative Paver Program. These pavers will create a "pathway" to each of the four beautiful statues, which will serve as focal points for courtyard visitors.

Each paver offers the perfect opportunity to acknowledge a group, such as a Class, Club or Organization; be a memorial for a parent, alumna, grandparent, friend or other relative; or to commemorate a special occasion.

Just as the building blocks of education leave a lasting impression on our students, you are invited to leave a personalized lasting impression on Regina High School.
